

## 概要

### 製品情報

**10A-GF-0.75-92116900005**

10A silver gold female pins, Adapter wire specification 0.75mm<sup>2</sup>

### 製品の特長

- ☒ High-precision turning process, stable and reliable products;
- ☒ Gold-plated and silver-plated are available, suitable for different environmental requirements;
- ☒ Comprehensive products, resistant to temperature changes, shocks and harsh environments.

### Marking

|                |                  |
|----------------|------------------|
| classification | Contact          |
| Series         | 10A              |
| Contact type   | Crimping contact |

### versions

|                         |         |
|-------------------------|---------|
| Female/Male             | Female  |
| manufacturing technique | Turning |

### Material characteristics

|                  |                             |
|------------------|-----------------------------|
| RoHS             | Comply with RoHS exemptions |
| Plating material | Gold plate                  |
| Material         | Copper alloy                |

Standards

|                            |                      |
|----------------------------|----------------------|
| Connection meets standards | EN 60664-1 IEC 61984 |
|----------------------------|----------------------|

Technical specification

|                                             |                     |
|---------------------------------------------|---------------------|
| Conductor cross sections (mm <sup>2</sup> ) | 0.75mm <sup>2</sup> |
| Conductor cross sections(AWG)               | 18AWG               |
| Working current                             | ≤10A                |
| Contact resistance                          | ≤3mΩ                |
| Plating Thickness                           | ≥3μ"                |
| Temperature range                           | -40℃~+125℃          |
| Strip length                                | 8mm                 |
| working life-mating cycles                  | ≥500                |
